PROFILE

Highly motivated and eager to learn 4th year undergraduate with a strong foundation in programming and a passion for mobile game development. Eager to contribute to KOOAPPS' innovative mobile gaming experiences by applying my understanding of game development principles and strong work ethic to learn and implement core features within mobile games.

WORK EXPERIENCE

Web Developer Intern

Cicada Morphosis Web Content Publishing October 2023 - December 2023

- Collaborated with a team to design and develop a user-friendly mobile and website for J&M Gadgets Davao using Wix, ensuring a seamless online presence for the client.
- Leveraged research skills to gather accurate information from client requirements and specifications like product information and prices, contributing to the project's success.
- Demonstrated attention to detail by meticulously reviewing code and design elements, leading to the delivery of a visually appealing and well-functioning website.
- Effectively communicated with the team, gathering client requirements, collaborating on solutions, and providing updates.
- Identified incorrect, incomplete, and outdated data inside the website's inventory.

Graphic Design Intern

Cicada Morphosis Web Content Publishing May 2023 - August 2023

- Emphasized visual communication skills through achieving company-wide adoption of the logo design for MEER Products.
- Connected designs with user engagement by demonstrating success in both print and web projects.
- Highlighted attention to detail through the implementation of responsive design principles.
- Identified initial design problems then resolved it by intensive research.
- Showcases communication and organization skills by mentioning the creation of effective creative briefs.

SK Secretary

Barangay Del Monte May 2018 - November 2023

- Maintained accurate and comprehensive records of meetings, including drafting and finalizing meeting minutes.
- Demonstrated the ability to work effectively both independently and collaboratively in a team environment.
- Built strong relationships with fellow SK kagawads and barangay officials through positive and effective communication.
- Demonstrated effective time management skills by consistently completing all tasks and meeting deadlines.
